The work of the lower grades, the chairman remarked, is also of a very high standard as well, and the board feels that the general tone of the schools has never been better. This is a condition that could only be brought about by the co-operation of both the staff and students; neither could achieve it alone. Both are to be congratulated, and the board looks to the future with confidence that the present high standard will be more than maintained.

All Canada Agrees "It's Better because it's Canadian

"IT'S Better because It's Canadian" . . . a year ago General Motors of Canada gave first utterance to this phrase.

"It's Better because It's Canadian" . . . newspapers and magazines all over Canada took up the theme, impressing on Canadian citizens the pride they should justly feel in the products of their country.

"It's Better because It's Canadian" . . . it is a fact. And because it is a fact . . . because General Motors was inspired to put it into words . . . because Canadian editors added to its impetus . . . because Canadians accepted it . . . and because the standard of Canadian quality proved it true. . . .

Last week we told you about the sensational prices of Ladies' Silk Hose. It has been going on for some time. First it was the manufacturers, then the jobbers or the wholesalers, and, last but not least, the retail merchants or distributors who followed suit. We all know the craze when the Holeproof Hose struck the market. The first price was about \$2.50 and then it sold at \$2.25, again at \$1.85. Till the sensational cut by Reach & Co. of an 18-inch leg, all-silk hose for the price of \$1.00. This is the Hose that used to be \$2.25. We want you to clean these few dozen pair out at the cut price of \$1.00. After you do this we have bought a fancy range of colors in a Full Fashioned Hose to retail at \$2.00.
